Dear Chair Granger and Ranking Member DeLauro,

I am requesting funding for Portsmouth, NH Seacoast Greenway Trailhead Access in fiscal year 2024.

The entity to receive funding for this project is in the City of Portsmouth, located at 1 Junkins Avenue, Portsmouth, NH, 03801.

The funding would be used to construct two trailhead facilities for the NH Seacoast Greenway along with a short but critical segment of 10-foot wide multi-use path paralleling Borthwick Avenue on City-owned land. This will close the gap between the Borthwick Avenue trailhead and Downtown Portsmouth. Funding will also support a 40-space paved parking area for trail users, concrete pads and enclosures for portable restrooms, bicycle racks, trailhead kiosks and wayfinding signage, and a landscaping and seating area.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Chris Pappas".

Dear Chair Granger and Ranking Member DeLauro,

Funding will also support a 40-space paved parking area for trail users, concrete pads and enclosures for portable restrooms, bicycle racks, trailhead kiosks and wayfinding signage, and a landscaping and seating area. The project is an appropriate use of taxpayer funds because this trail will serve as a transportation corridor, linear park, and economic catalyst for its communities.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Chris Pappas". The signature is written in a cursive, flowing style.
